

**Hygiene rules to reduce the risk of contracting infectious diseases
during events and visits to the Schader-Campus Darmstadt
(Infection Protection Concept, as of July 1 2022)**

Dear guests of the Schader-Stiftung,

For your own protection as well as for the protection of our colleagues and their families from a further spread of the Covid 19 virus, we kindly ask you to comply with the following infection protection measures and hygiene rules.

Until further notice, events with a defined number of people will again be held on the Schader campus.

1. Prerequisite for a visit onsite is complying with the rule of **2Gplus** by presenting a certificate for **complete vaccination (2/3)** as well as a negative rapid antigen test done on the same day. An existing **booster vaccination (3/3)** replaces the rapid antigen test. If required, a test done at an official test center will be accepted as verification, otherwise a self-test kits are available and can be done onsite.
2. Please wear medical mouthguards covering your mouth and nose (OP or FFP2 mask) when entering the premises of the Schader-Campus. Masks are generally not required at your seat or on outdoor premises. There may be exceptions where masks are required during the event, e.g. due to larger numbers of participants.
3. If you have symptoms , if people around you are in quarantine or isolation, or if you are unsure whether you have an **illness**, please refrain from visiting the Schader-Campus for the protection of other guests, our employees and their families.
4. Please keep your mouth and nose covered while moving within the buildings and keep a recommended distance of at least 1.5 meters. Please avoid direct encounters on the stairs and use the elevators with no more than two people.
5. Guests are not allowed to enter **the offices**, kitchenettes, technical rooms and staff sanitary facilities.
6. Please use the **disinfectant dispensers** in the entrance area and in the area of the sanitary facilities.
7. Please follow the separate instructions for use posted in the **sanitary facilities**.
8. If not complying with the stated rules, we distinctly reserve the right to exercise our **domiliary rights** through our employees for the protection of the general public.
